Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Thursday 26 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry throughout. Initially cloudy but sunny spells developing later.

Today:
After a rather cloudy start to the day, the cloud will break through the afternoon to give sunny spells. Staying dry throughout but feeling cooler than of late across the east of the region, where it will also be breezy. Maximum temperature 20 deg C (68 deg F).

Tonight:
The patchy cloud will remain overnight. Dry for most, though a few light showers may affect coastal areas. The lengthiest clear spells are likely in the west. Minimum temperature 11 deg C (52 deg F).

Friday:
Dry again throughout Friday. Cloudy conditions likely during the morning but skies will clear from the northeast to give sunny spells for many later. Lighter winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Bright or sunny spells and some light showers through Saturday. Sunday looks to be sunny and dry. Cloudier on Monday but staying dry. Feeling warm in any sun.
